

Privacy policy

DBA Group is committed to safeguarding your privacy online. The following policy explains how information submitted to DBA Group through this website will be treated and protected.

Please note that DBA Group may from time to time update the policy. Any update will not reduce our commitment to maintaining the privacy of your information.

Personal Information

In order to better serve our customers and those interested in our products and services, DBA Group may collect personal and non-personal information through our website. Our website uses forms for information requests and orders. Contact information from all forms (including name, address, email address, payment information, registration information etc.) is used to process and deliver orders and mail information about our company to our customers.

DBA Group will not sell, share, or rent any of this information with any other person(s) or companies.

Use of Personal Information

DBA Group use your personal information in the following ways: to tell you about products and services available on our website; to obtain your feedback in regards to our products and services and overall customer satisfaction; to fulfill requests you submitted, to process your orders, or should opt to, receive newsletters and promotional materials we think may be of interest.

If you do not wish to receive any of these communications from us, you may opt-out of receiving them by following the instructions included in each message or contacting our office.

Security of Personal Information

DBA Group make every effort to protect your personal identifiable information. You may request under the provisions of the freedom of

information act details of information submitted

Any changes you request will be actioned within 40 days of receipt by us. In addition, if you decide you wish to be taken off our newsletter database and no longer receive communications from us you can do so by emailing us at the above address. info@dbagroup.co.uk

Third Party Disclosure

DBA Group use a cloud based tool from MAUS Business Systems. DBA Group is committed to ensure that the third party maintains a standard of data privacy that is equal to or better than that under this policy. The privacy policy for information retained by MAUS Business Systems can be found at: <http://www.maus.com.au/privacy-policy/>

Use of Cookies

The MAUS Business System tools used in this site may use cookies to store information on your computer. By continuing to use our site, you consent to our cookies.

A cookie is a small text file of information that a web site transfers to a user's hard drive for record-keeping purposes. Cookies make web-surfing easier for you by saving your preferences while you're on a website. The use of cookies is an industry standard, we also use them so that we can better serve you when you return to our website. You can set your browser to notify you when you receive a cookie, giving you the chance to decide whether to accept it.
